**FOR YOUR HOME**

## Hand-mixer CX-6631

- 300W Power
- Full Copper motor
- 5 Speed Levels White colour
- 2 type stainless-steel stirrer  
Very durable and practical
- Easy to use and clean
- Modern design with integrated cooling hole for fast cooling
- 2 years warranty period

- Max. power 800W
- Stainless steel housing
- Speed regulating knob
  - Turbo function
- Anti-splash guard
- 4 stainless steel blades
- Motor overheat protection
  - 1.5m cord length
  - Silver colour
- Unit net weight 0.75kg
- Unit size 75 x 75 x 410mm,
  - 220-240V, 50-60H,
- CE-Certificate - Eurofins, Germany

## Hand Blender FY-8012-2

## Sandwich Maker SL-619

- Sandwich Grill
- 750W Power
- Non-stick coating for easy cleaning
- LED indicator lights for simple operation
- Double-sided heating so temperature rises rapidly and evenly
- Anti-slip feet Small and portable
- VDE Plug
- CE Certificate by TUV Rheinland, Germany

- Sandwich Grill
- 750W Power
- Non-stick coating for easy cleaning
- LED indicator lights for simple operation
  - Double-sided heatings, so temperature rises rapidly and evenly
  - Anti-slip feet Small and portable
- VDE Plug
- CE Certificate

## Sandwich Maker SL-617

## Sandwich Maker w/ waffle plate HY-809

- 750W Power
- Cool-touch handle
- LED indicator lights for simple operation
- Non-stick coating for easy cleaning
- Upright for storage
- Automatic temperature control
- Anti-slip feet
- VDE Plug
- 220-240V, 50/60Hz
- CE Certificate by TUV Rheinland, Germany

- Power 800-950W
- Full Stainless-Steel Housing
- 3 Functions (Defrost, Heat, and Cancel)
  - 7 setting Browning dial
- High Lift & Anti-larn Protection
  - Pop Up Lever
- Auto Centering Bread Grid
  - Removable Crumb Tray
  - Cord Warp
  - Non-Slip Feet
- 220-240V, 50Hz, VDE Plug

## Toster ST-207

## Food Chopper OK7066

- Food Chopper: to chop, blend, puree, mix and mince a variety of ingredients
- 1.5L BPA-Free Glass
- 400W Power
- Easy Cleaning
- 4 Detachable Stainless-steel blades strong Healthy, and shockproof glass bowl

- Power Input 1,000W
- 1L Cup, 0.8L To-Go Cup
- Stainless Steel blade
- BPA Free materials
- Personal drinking lid, Seal Lid, Anti Slip Feed
- Dishwasher Safe Removable Parts,
- CE Certificate

## Smoothie Maker WBL-005

## Jug Kettle T-9018

- Capacity 1.7L
- Max power 2200W
- 304 stainless steel
- 360" rotation kettle
- Concealed heating element
- Removable & washable filter
- Cool touch handle
- Overheating protection automatic switch

- With blue LED light indicator
  - Safety thermostat
    - 1.7 Litre
    - 360 cordless
  - Detachable power base
- Concealed heating element
  - Boildry protection
  - Water level indicator
  - 2200W max. power
- 2 Years warranty period Modern design
  - One hand opening functionality

## Glass Kettle T-601

## Jug Kettle T-8806

- Capacity 1.7L
- Max power 2200W
- BPA free
- 360° Rotation kettle
- Concealed heating element
- Removable & washable filter
- Cool touch handle
- Overheating protection
- Automatic switch

- Capacity 1.8L
- Max power 2200W
- BPA free certified
- 360° Rotation kettle
- Concealed heating element
- Removable washable filter
  - Cool touch handle
- Overheating protection
  - Automatic switch

## Jug Kettle MG-8809

## Stainless steel kettle T-9011

- Capacity 1.7liter
- Max. 2200W
- Stainless steel heatingplate
- Dry boil protection
- Automatically turns off when water boils
- On/off switch indicator light
- Rotation cordless
- Single light
- 304 Stainless steel
- 220-240V - 50-60Hz

- Blue LED light indicator
- Safety thermostat
- 1.8 Litre, 360 cordless detachable power base
- Concealed heating element
  - Boil-dry protection
  - Water level indicator
  - 1500W max. Power
- 2 years warranty period
  - Modern design
- One hand opening functionality

## Glass Kettle ZY-308

## Glass kettle HHB1702

- With blue LED
- Light indicator
- Safety thermostat
- 1.7 Litre
- 360° cordless detachable power base
- Concealed heating element
- Boll-dry protection
- Water level indicator
- 2200W max. power
- ROHS, LFGB, CE EMC certificates
- Modern design
- One hand opening functionality

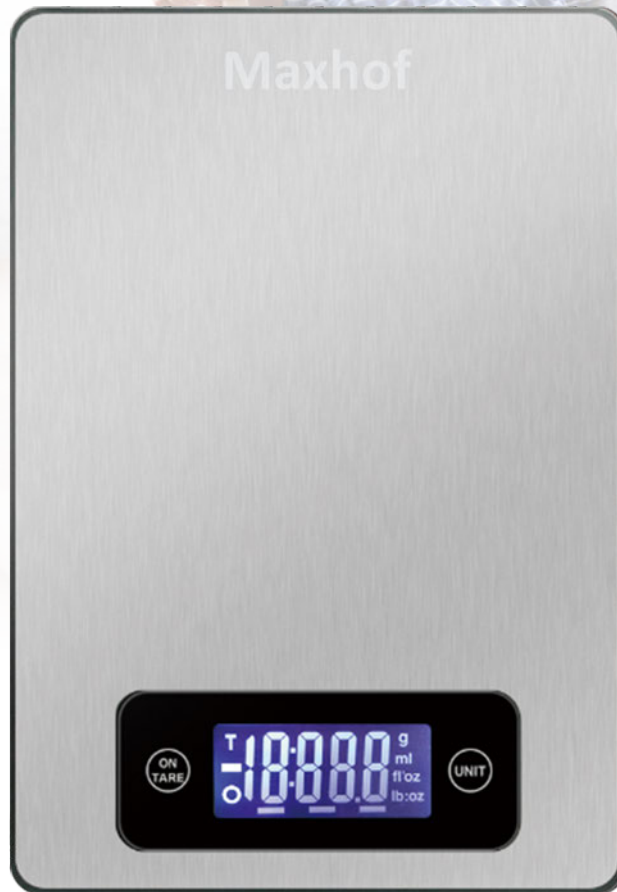

- Capacity 1.7liter
- Max. 2200W
- Cordless detachable power base
  - Cable storage
- Concealed heating element
- Removable washable filter
  - Dry boil protection
- Water level indicator
- 220-240V, 50-60HZ

## Stainless steel kettle T-9011

## Kitchen scale TS-EK27

- Touch sensor with automatic shut-off
- Maximum load 5 kg with 1 g division
- Weight reset function
- 4 units (g, kg, lb, oz)
- LCD screen, standard home
- 2 x AAA (batteries-included)
- Material: glass, stainless steel, plastic
- Object dimensions L x W x H:  
222x152x16 mm

- Touch sensor with automatic shut-off
- Maximum load 5 kg with 1 g division
  - Weight reset function
  - 4 units (g, kg, lb, oz)
- LCD screen, standard home 2 x AAA (batteries-included)
- Material: glass, stainless steel, plastic
- Object dimensions L x W x H: 230 x 160 x 25 mm

## Kitchen scale KE-A-SS

## Kitchen scale B-05 with bowl

- Transparent bowl capacity 600ml
- LCD display 40 x 16mm
- High precision weighting sensor
- Automatic turn off function
- Low battery/overload indicator
- Unit conversion g/oz/lb/tl
- 5kg capacity, 1g division
- 2 x AAA battery included
- ONLY FOR PRIVATE USE

B-05

- Combination of flexible and detachable hand-held vacuum Cleaner
  - Brush head detaches quickly and without difficulty
  - Cable length 5 meters
- Ergonomic and modern design with easily detachable bowl
  - HEPA (washable) filter
  - Power 600W,
  - Dirt capacity 0.5L
- Additional attachments

  - Low noise design
  - Dust full indicator
- Automatic cord rewriter
- Double parking position
- Accessory storage
- VDE plug, 220-240V, 50/60Hz
- Product size: 51.5 x 32 x 23cm

## Vacuum cleaner ZJX8206B

## Hair Dryer SD-837I

- Ionic function to boost shine and combat frizz
- 2 Speed and
- 3 Temp settings Cool air function
- Powerful 2200 watt dryer reduces drying time
- Styling nozzle
- AC copper motor
- Lightweight and ergonomic design for easy styling
- 2 Years warranty period

- Ionic function to boost shine and combat frizz
  - 2 Speed and
  - 3 Temp settings
  - Cool air function
- Powerful 2200 watt dryer reduces drying time
  - Styling nozzle
  - DC copper motor
- Lightweight and ergonomic design for easy styling
  - 2 Years warranty period

## Hair Dryer SD-820I

## Hair Dryer SD-820

- 2 Speed and
- 3 Temp settings
- Cool air function
- Powerful 2200 watt dryer reduces drying time
- Styling nozzle
- DC copper motor
- Lightweight and ergonomic design for easy styling
- 2 Years warranty period

- PTC heater
- Lockable handle
- Floating plate for easy glide
- Ceramic coating plates 25x110mm
- Auto-shut off function 60 min
- LED indicator for 6 temp
- Selections temp. from 155° to 230 °C
- Hang loop
- 2 Years warranty period

## Hair Straightener SD-510A

## Steam Iron SZ-2201

- Max. power 2800W
- Dry, Spray,
- Steam, vertical steam, ceramic soleplate
- Self-cleaning anti-calc, anti-drip
- Water tank 450ml
- Steam rate up 20+5 g/min
- Soleplate size: 250 x 125mm
- Unit net weight 1.11kg
- Unit size 305 x 125 x 145mm, 220-240V, 50-60Hz
- CE-Certificate

- Spray function
- High pressure steam
- Vertical steam
- Dry operation
- Self-cleaning

## Steam Iron MG-2283

## LED Lamp MG-6202

- USB Charging
- 1,200 mAh battery
- Electric Power 3 W
- Lighting current 230lm
- Colour temperature 6000 K
- Lifetime 35,000 h,
- Energy efficiency category A+

- Large LCD-display
- Indication of temperature and battery level
  - 6mm Safety glas
  - Turns autom. on & off
- Incl. batteries (2 x AAA)
- Only for private use

## Digital Scale YQ-B12

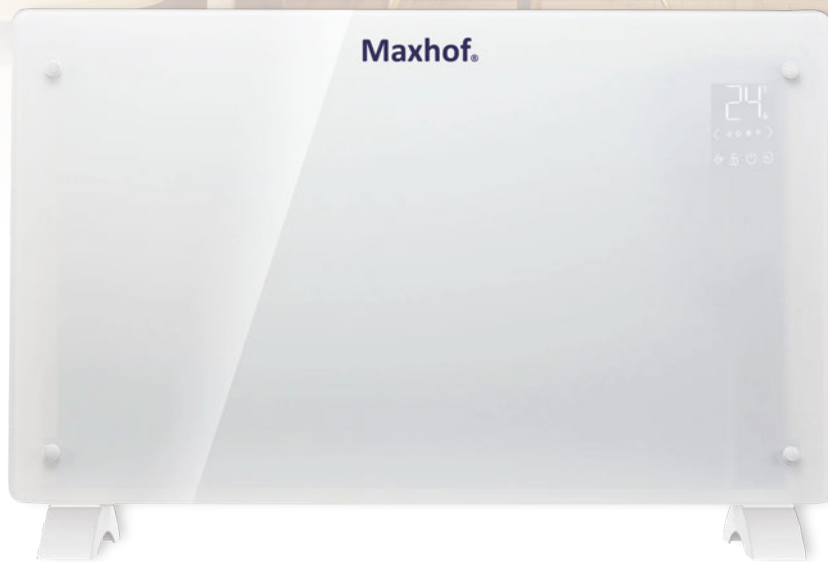

## Digitral Scale YQ-2003A

- LCD-display
- Indication of Temperature and Battery Level
- 6mm Safety glas
- Turns autom. on & off
- Incl. batteries (2 x AAA)
- Only for private use

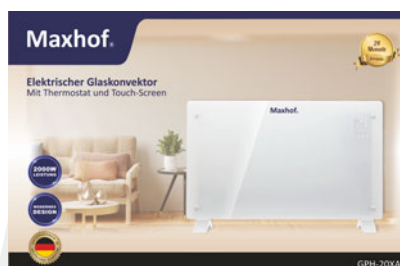

- Power 2000W
- 3 heating mode
  - Temperature glass panel
- Aluminium heating element
  - LED display
  - 24h-timer
- Touch display control with WIFI & APP
- Electronic sensor thermostat with frost protection function (5-7°C)
- Double overheat protection
- Room temperature sensor / adjustment 5-50C
- Wall mounted and standing
  - CE certificate

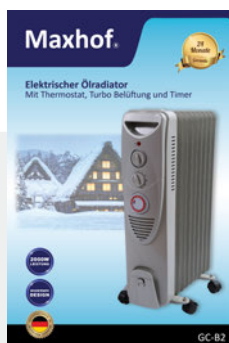

## Convection Heater GPH-20XA

## Oil-Filled Radiator Heater GC-B2

- 220-240V 50Hz
- 3 heat settings (800 / 1200 / 2000W)
- Fan and timer
- Adjustable thermostat control
- Overheat protection
- 9 Heating elements
- Indicator lights
- Pressure tested for safety
- Smooth castors for easy movement
- Cord storage
- CE certificate

- 2 Heat settings: 1,000 / 2,000W
  - Voltage 220-240V
  - Frequency 50/60Hz
  - Overheat protection
- Adjustable thermostat
  - Power indicator light
    - Safety fuse inside
- Portable with handle
  - CE certificate

## Fan heater LQ-616

## Multi-function air cooler/heater (2in1) NDY-FH205

- Air cooler power 65W
- Water tank capacity 3.5L
- Heater power 2200W
- PTC heating elements
- Wind strength 3 settings
- Normal/nature/sleep mode
- 12h timer
- Remotecontrol
- Product size 320x320x920mm
- CE - & ROHS certificates

- Eco 50 Watt
- 70° oscillation
- Height 86cm
- Two-digit display
  - 12 hour timer
- Ultra quiet - 60dB
  - CE certificate

## Bladeless fan NDY-EF601R
